CAUL
China Hong Kong tour
16-29 October 2004
Beautiful campuses
Best building on campus
Some very smart interiors
Lots of computers – and students
Lots of bicycles
Digital information screens
5. Biotechnology Abstracts

Derwent Information: Biotechnology Abstracts

A comprehensive database that covers the latest developments in biotechnology, including research, patents, and commercial applications. It is updated regularly to ensure the most current information is available to the scientific community.
We give the delegation of Council of Australian University Libraries a warm welcome.
Help is available here !!!

MOVING AHEAD
In the DIGITAL WORLD
Electronic Resources at the Pao Yue-kong Library
Some things are the same the world over!
Security
But no theft of personal property
Hospitality
China is confronting
China is culturally rich and fascinating
Intrepid Ozzies – CAUL style
