EEO - Edición Española Online
Spanish academic publishing in digital format

Edición Española Online (EEO) is a growing Collection of scholarly content by a select group of Spanish academic publishers. The e-book and e-journal content in the EEO Collection is representative of current research in Spain in the Humanities and Social Sciences, covering areas such as Literature, Linguistics, History, Philology and Philosophy, Law, Psychology, Sociology and Economics.

2013 COLLECTIONS
Edición Española Online is available in a number of collections with varying purchase model.

EEO - Edición Española Online
With a substantial increase in the number of Spanish publishers participating on the Torrossa platform, the EEO Collection has grown by 500 titles this year, bringing the complete collection to a total of 1340 research-quality e-books in the Humanities and Social Sciences.

Publishers joining EEO in 2013 include Iberoamericana-Vervuert, Casa de Velázquez, Ministerio de Educación Cultura y Deporte, Ediciones Espuela de Plata, Universidad de Zaragoza, Editorial UOC, Editorial Renacimiento.

Permanent access to content is offered through www.torrossa.it, in addition to permissions for printing, copying/pasting and downloading the text in local copy.

EEO Law 2013
A new collection of 40 e-books in the field of law from Spanish publishers with a core specialization in law like Universidad de Deusto, Universidad Pontificia Comillas and Dykinson.

A collection of 202 titles selected in the previous years is available on request.

EEO Core Collections
A series of thematic subsets with titles selected by our bibliographers for the relevance to their field:

- EEO Core Language and Literature - 150 titles
- EEO Core History - 100 titles
- EEO Core Social Sciences - 96 titles

Iberoamericana-Vervuert e-books
Iberoamericana Editorial Vervuert is a publishing house and bookstore founded in 1975 in Frankfurt. Its editorial activity focuses on academic books about Latin America and Spain in the fields of Spanish Language and Literary Criticism, Spanish Literature, History and Cultural Studies, Politics and Social Science and Art.

In 2013, a selection of 220 Iberoamericana Editorial Vervuert titles will be available on Torrossa, offering access to a range of authoritative publications in the publisher’s fields of specialization.

The collection includes current content and backlist.

Editorial CSIC e-journal package
37 journals by the Consejo Superior de Investigaciones Científicas covering the Arts and Humanities (22 journals), Science and Technology (11 journals) and the Social Sciences (4 journals).

The collection offers permanent access to all issues published for each journal during 2013, along with a complete year of backfiles.

Arco Libros
A selection of 40 titles of Spanish Philology by this prominent publisher.

FLEXIBILITY, EASE OF ACCESS
Edición Española Online is accessible through www.torrossa.it, alongside other Casalini Libri digital content.

Casalini Libri offers libraries the option of creating a customised collection, choosing titles from among the Spanish works available on the Torrossa platform. Customised collections are available for a minimum of 100 monographic titles or 25 journals.
