2. Committee Membership.

Three CAUL members – two elected by CAUL members, or nominate a Chair and a Deputy Chair from this group.

Two representatives of the Datasets Coordinators – a shortlist to be selected from the shortlist by the three CAUL members (opportunity for Datasets Coordinators to be consulted and a need for a mix of geographic and institution size representation).

One CSIRO representative – nominated by CSIRO
One CONZUL representative – nominated by CONZUL
CAUL Executive Officer ex officio
