

# **WAGUL JOINT PURCHASING GROUP: SUPPLY OF MONOGRAPHS AND RELATED SERVICES 2012-2014**

## **Summary of Outcomes**

- West Australian Group of University Librarians:
  - Curtin
  - ECU
  - Murdoch
  - UWA
  - Notre Dame (does not participate in joint purchasing)
- Approx \$5 million in Monograph spending

- Simplify
- Change in focus
- Online services to support all aspects of the acquisition process - “must have”
- Ability of a vendor to provide collection development support through profiling and approval services.

## Service requirements:

- Single vendor capability
- Database
- Selection and collection development
- Price
- Ordering
- Order maintenance
- Supply
- Invoicing
- MARC record services
- Shelf ready services
- Management information and reporting
- Systems integration
- Customer services

- Ingram / Coutts selected as single vendor:
- Why?
  - Innovation
  - OASIS best overall database
  - OASIS Lite (simplified version)
  - OASIS Recommender (AAF Compliant)
  - Selection and Collection Development Services appear to be the most sophisticated

- OASIS Review Shelf: Online assessment of profiles and approval plans
- Best ranked price arrangements with equivalent discounts offered on E-Books
- Additional E-Book suppliers added to OASIS

- Single vendor offers efficiency
  - Collection development
  - E-Book management
  - System integration
  - Agreement management
  - Relationship management
  - Training
- Risk
  - Australian material
