1. KEY DEFINITIONS

1.1 In this Licence, the following terms shall have the following meanings: -

Online Registration Materials  The registration materials required to be submitted by the Licensee before the Licensee can access the Licensed Materials.

Secure Network  A network (whether a standalone network or a virtual network within the Internet) which is only accessible to Authorised Users approved by the Licensee whose identity is authenticated at the time of log-in and periodically thereafter consistent with current best practice, and whose conduct is subject to regulation by the Licensee.

Server  The server, either the Publisher’s server or a third party server designated by the Publisher, on which the Licensed Materials are mounted and may be accessed.

Subscription Period  That period commencing on the date on which the Online Registration Materials are completed and in relation to Licensed Materials shall continue (subject to provisions for earlier termination contained below) for so long as the Licensee has a current institutional subscription for that Licensed Material for online access or which includes online access.

2.  AGREEMENT

2.1  The Publisher agrees to grant to the Licensee the non-exclusive and non-transferable right, throughout the world, to give Authorised Users access to the Licensed Materials via a Secure Network for the purposes of research, teaching and private study, subject to the terms and conditions of this Licence.

2.2  This Licence shall commence at the beginning of the Subscription Period, for each of the Licensed Materials as named in the Online Registration Materials; and shall automatically terminate at the end of the Subscription Period, unless the parties have previously agreed to renew it.

2.3  On termination of this License, the Publisher shall provide continuing access for Authorised Users to that part of the Licensed Materials which was published and paid for within the Subscription Period, either from the Server or from the archive described in 6.4 or by supplying electronic files or printed copies to the Licensee subject to payment of such fees as the parties may agree except where such termination is due to a breach of the License by the Licensee which the Licensee has failed to remedy as provided in 9.1.3 of this License, in which case such continuing access shall be provided in respect of Licensed Materials published up to the date of such breach.

3.  USAGE RIGHTS

3.1  The Licensee, subject to clause 5 below, may:

3.1.1  Make such back-up copies of the Licensed Materials as are reasonably necessary.

3.1.5  Provide single printed or electronic copies of single articles at the request of individual Authorised Users.

3.1.6  Display, download or print the Licensed Materials for the purpose of internal marketing or testing or for training Authorised Users or groups of Authorised Users.

5. PROHIBITED USES

5.1 Neither the Licensee nor Authorised Users may:

5.1.1 remove or alter the authors’ names or the Publisher’s copyright notices or other means of identification or disclaimers as they appear in the Licensed Materials;

5.1.2 systematically make print or electronic copies of multiple extracts of the Licensed Materials for any purpose other than back-up copies permitted under clause 3.1.1;

5.1.3 mount or distribute any part of the Licensed Material on any electronic network, including without limitation the Internet and the World Wide Web, other than the Secure Network

5.2 The Publisher’s explicit written permission must be obtained in order to:

5.2.1 use all or any part of the Licensed Materials for any Commercial Use;

5.2.2 systematically distribute the whole or any part of the Licensed Materials to anyone other than Authorised Users;

5.2.3 publish, distribute or make available the Licensed Materials, works based on the Licensed Materials or works which combine them with any other material, other than as permitted in this Licence;

5.2.4 alter, abridge, adapt or modify the Licensed Materials, except to the extent necessary to make them perceptible on a computer screen to Authorised Users. For the avoidance of doubt, no alteration of the words or their order is permitted.

6. PUBLISHER’S UNDERTAKINGS

6.1 The Publisher warrants to the Licensee that the Licensed Materials used as contemplated by this Licence do not infringe the copyright or any other proprietary or intellectual property rights of any person. The Publisher shall indemnify and hold the Licensee harmless from and against any loss, damage, costs, liability and expenses (including reasonable legal and professional fees) arising out of any legal action taken against the Licensee claiming actual or alleged infringement of such rights. This indemnity shall survive the termination of this Licence for any reason. This indemnity shall not apply if the Licensee has amended the Licensed Materials in any way not permitted by this Licence.

6.2 The Publisher shall:
6.2.1 make the Licensed Materials available to the Licensee from the Server. The Publisher will notify the Licensee and the Agent at least ninety (90) days in advance of any anticipated specification change applicable to the Licensed Materials. If the changes render the Licensed Materials less useful in a material respect to the Licensee, the Licensee may within thirty days of such notice treat such changes as a breach of this License under clause 9.1.1 and 9.4.

6.2.2 use reasonable endeavours to ensure that the Server has adequate capacity and bandwidth to support the usage of the Licensee at a level commensurate with the standards of availability for information services of similar scope operating via the World Wide Web, as such standards evolve from time to time over the term of this Licence.

6.2.3 use reasonable endeavours to make the Licensed Materials available to the Licensee and to Authorised Users at all times and on a twenty-four hour basis, save for routine maintenance (which shall be notified to the Licensee in advance wherever possible), and to restore access to the Licensed Materials as soon as possible in the event of an interruption or suspension of the service.

6.3 The Publisher reserves the right at any time to withdraw from the Licensed Materials any item or part of an item for which it no longer retains the right to publish, or which it has reasonable grounds to believe infringes copyright or is defamatory, obscene, unlawful or otherwise objectionable. The Publisher shall give written notice to the Licensee of such withdrawal. If the withdrawal represents more than ten per cent (10%) of the book, journal or other publication in which it appeared, the Publisher shall refund to the Licensee that part of the Fee that is in proportion to the amount of material withdrawn and the remaining un-expired portion of the Subscription Period.

6.4 The Publisher undertakes to provide or to make arrangements for a third party to provide an archive of the Licensed Materials for the purposes of long term preservation of the Licensed Materials, and to permit Authorised Users to access such archive after termination of this License.

6.5 Except as expressly provided in this License, the Publisher makes no representations or warranties of any kind, express or implied, including, but not limited to, warranties of design, accuracy of the information contained in the Licensed Materials, merchantability or fitness of use for a particular purpose. The Licensed Materials are supplied ‘as is’.

6.6 Except as provided in clause 6.1, under no circumstances shall the Publisher or the Publisher’s Representative be liable to the Licensee or any other person, including but not limited to Authorised Users, for any special, exemplary, incidental or consequential damages of any character arising out of the inability to use, or the use of, the Licensed Materials. Irrespective of the cause or form of action, the Publisher’s aggregate liability for any claims, losses, or damages arising out of any breach of this Licence shall in no circumstances exceed the Fee paid by Licensee to the Publisher under this Licence in respect of the Subscription Period during which such claim, loss or damage occurred. The foregoing limitation of liability and exclusion of certain damages shall apply regardless of the success or effectiveness of other remedies. Regardless of the cause or form of action, the Licensee may bring no action arising from this Licence more than twelve (12) months after the cause of action arises.

7. LICENSEE’S UNDERTAKINGS

7.1 The Licensee shall:

7.1.1 use reasonable endeavours to ensure that all Authorised Users are appropriately notified of the importance of respecting the intellectual property rights in the Licensed Materials;

7.1.2 use reasonable endeavours to notify Authorised Users of the terms and conditions of this Licence and take steps to protect the Licensed Materials from unauthorised use or other breach of this License;

7.1.3 use reasonable endeavours to monitor compliance and immediately upon becoming aware of any unauthorised use or other breach, inform the Publisher and take all reasonable and appropriate steps, including disciplinary action, both to ensure that such activity ceases and to prevent any recurrence;
7.1.4 issue passwords or other access information only to Authorised Users and use all reasonable endeavours to ensure that Authorised Users do not divulge their passwords or other access information to any third party;

7.1.5 keep full and up-to-date records of all IP addresses and provide the Publisher with details of such additions, deletions or other alterations to such records as are necessary to enable the Publisher to provide Authorised Users with access to the Licensed Materials as contemplated by this License;

7.1.6 use reasonable endeavours to ensure that only Authorised Users are permitted access to the Licensed Materials.

7.2 The Licensee agrees to indemnify, defend and hold the Publisher harmless from and against any loss, damage, costs, liability and expenses (including reasonable legal and professional fees) arising out of any claim or legal action taken against the Publisher related to or in any way connected with any use of the Licensed Materials by the Licensee or Authorised Users or any failure by the Licensee to perform its obligations in relation to this Licence, provided that nothing in this Licence shall make the Licensee liable for breach of the terms of the Licence by any Authorised User provided that the Licensee did not cause, knowingly assist or condone the continuation of such breach to continue after becoming aware of an actual breach having occurred.

8. UNDERTAKINGS BY BOTH PARTIES

8.1.1 Each party shall use its best endeavours to safeguard the intellectual property, confidential information and proprietary rights of the other party.

9. TERM AND TERMINATION

9.1 In addition to automatic termination (unless renewed) under clause 2.2, this Licence shall be terminated:

9.1.1 if the Publisher commits a material or persistent breach of any term of this Licence and fails to remedy the breach (if capable of remedy) within sixty (60) days of notification in writing by the Licensee;

9.1.2 if the Licensee commits a wilful material and persistent breach of the Publisher's copyright or other intellectual property rights or of the provisions of clause 3 in respect of usage rights or of clause 5 in respect of prohibited uses;

9.1.3 if either party becomes insolvent or becomes subject to receivership, liquidation or similar external administration.

9.2 On termination all rights and obligations of the parties automatically terminate except for obligations in respect of Licensed Materials to which access continues to be permitted as provided in clause 2.3.

9.3 On termination of this Licence for cause, as specified in clause 9.1.3, the Licensee shall immediately cease to distribute or make available the Licensed Materials to Authorised Users and shall return to the Publisher or destroy all Licensed Materials locally mounted pursuant to clause 3.1.2 except as provided in clause 2.3.

9.4 On termination of this Licence by the Licensee for cause, as specified in clause 9.1.2 above, the Publisher shall forthwith refund the proportion of the Fee that represents the paid but un-expired part of the Subscription Period.

10. GENERAL

10.1 This Licence constitutes the entire agreement of the parties and supersedes all prior communications, understandings and agreements relating to the subject matter of this Licence, whether oral or written.

10.2 Alterations to this Licence and to the Schedules to this Licence are only valid if they are recorded in writing and signed by both parties.
10.3 This Licence may not be assigned by either party to any other person or organisation, nor may either party sub-contract any of its obligations, except as provided in this Licence in respect of the Agent and the management and operation of the Server and the Publisher’s Representative, without the prior written consent of the other party, which consent shall not unreasonably be withheld.

10.4 If rights in all or any part of the Licensed Materials are assigned to another publisher, the Publisher shall use its best endeavours to ensure that the terms and conditions of this Licence are maintained.

10.5 Any notices to be served on either of the parties by the other shall be sent by prepaid recorded delivery or registered post to the address of the addressee as set out in this Licence or to such other address as notified by either party to the other as its address for service of notices. All such notices shall be deemed to have been received within 14 days of posting.

10.6 Neither party’s delay or failure to perform any provision of this Licence, as result of circumstances beyond its control (including, without limitation, war, strikes, floods, governmental restrictions, power, telecommunications or Internet failures, or damage to or destruction of any network facilities) shall be deemed to be, or to give rise to, a breach of this Licence.

10.7 The invalidity or un-enforceability of any provision of this Licence shall not affect the continuation or enforceability of the remainder of this Licence.

10.8 Either party’s waiver, or failure to require performance by the other, of any provision of this Licence will not affect its full right to require such performance at any subsequent time, or be taken or held to be a waiver of the provision itself.

10.9 This Licence shall be governed by and construed in accordance with the laws of Scotland.
