Perpetual Access License Agreement

Terms and Conditions of Use
Copyright © 2004-2007 by IGI Global. All rights reserved.

Users of InfoSci-Books expressly acknowledge and agree that all information accessible via InfoSci-Books is subject to terms, conditions, and license agreements specified by IGI Global, the parent company of Information Science Publishing and owner of all InfoSci-Books content.

This database and any IGI Global publications and material which may be accessed from it are protected by copyright. Nothing in this database or in the IGI Global publications and material may be downloaded, reproduced, stored in a retrieval system, modified, made available on a network, used to create derivative works, or transmitted in any form or by any means, electronic, mechanical, photocopying, recording, scanning, or otherwise, except (i) in the United States, as permitted under Section 107 or 108 of the 1976 United States Copyright Act, or internationally, as permitted by other applicable national copyright laws, or (ii) as expressly authorized on this Web site, or (iii) with the prior written permission of IGI Global. Requests to the Publisher for permission should be addressed to IGI Global, 701 E. Chocolate Avenue, Suite 200, Hershey, Pennsylvania, 17033, USA, (717) 533-8845, fax (717) 533-8661, email: cust@igi-pub.com.

The statements and opinions in the material contained on this Web site and any IGI Global publications and material which may be accessed from this Web site are those of the individual contributors or advertisers, as indicated. IGI Global has used reasonable care and skill in compiling the content of this Web site. However, IGI Global and the Editors make no warranty as to the accuracy or completeness of any information on this Web site and accept no responsibility or liability for any inaccuracy or errors and omissions, or for any damage or injury to persons or property arising out of the accessing or use of any files, software, and other materials, instructions, methods, or ideas contained on this Web site or in the IGI Global publications and material accessed from it.

IGI Global owns the exclusive copyright to the materials available through this service. All rights to these materials are controlled exclusively by IGI Global. By using this service you represent and warrant that you have an agreement with the publisher of the material you attempt to access, and that you will abide by that agreement. You understand that violations (by authorized users) of any of the terms of any of your agreements with the publisher may be a violation of U.S. federal copyright law, as well as international treaties, foreign laws, and state laws.
Date of Access Activation: ________________________
One-Time Fee for Perpetual Access: US$ ______________

IGI Global agrees to provide perpetual access, beginning on the above-referenced date, to book chapters in InfoSci-Books, to include all chapters currently in the database from publication year 2000 through the date of access activation, as referenced above, and to all chapters subsequently added to the database through December 31, 2007, for a one-time fee as referenced above (Please complete the following information).
