August 31, 2012

Dear Librarian,

Thank you for subscribing to the Journal of Orthopaedic & Sports Physical Therapy (JOSPT). As a valued customer, we want to let you know that your subscription is coming up for renewal shortly. JOSPT's mission is to publish scientifically rigorous, clinically relevant content in the healthcare community to advance musculoskeletal and sports-related practice.

I want to take this opportunity to remind and update you on a number of outstanding features that have made JOSPT one of the pre-eminent journals and a source of scientific evidence in musculoskeletal and sports-related rehabilitation and health for the global community for the past 33 years.

As a reminder, JOSPT provides you, as a subscriber, with the following benefits and features:

- JOSPT reaches more than 32,460 individuals and institutions in the United States and 55 countries around the world.
- JOSPT is the official journal of the Orthopaedic Section and the Sports Physical Therapy Section of the American Physical Therapy Association (APTA), is the recognized journal of numerous similar professional organizations in 21 countries, and is published 12 times per year.
- JOSPT offers high-quality research, immediately applicable clinical material, and useful supplemental information in a variety of formats. With an ISI 2011 Impact Factor of 3.0, JOSPT ranks #7 in Orthopedics (out of 63), #8 in Rehabilitation (out of 58), and #9 in Sports Sciences (out of 84), (over 100% increase over the last 5 years and a 20% increase over 2010).
- JOSPT provides available issues dating back to 1979 for current subscribers.
- The Journal is indexed by several well-known services in print and/or electronic format, in particular, Index Medicus (PubMed/MEDLINE), Excerpta Medica (Embase), and Cumulative Index to Nursing & Allied Health Literature (CINAHL).
- Subscription model (site license) is designed for maximum usage of the Journal through unlimited IP access for your institution.
- The Journal has an easy-to-use search platform to retrieve articles, abstracts, and continuing education certificates with precise relevance and speed for your personalized search and storage.

We want to thank you and let you know we appreciate your continued subscription. We strive to continue to improve our Journal and the quality of the articles it contains.

Sincerely,

Edith Holmes
