NUMERIQUE PREMIUM, a subsidiary of the publisher Nouveau Monde Editions, is a leading provider of ebooks in History and Human Sciences for libraries, in partnership with more than thirty publishers and societies in the French-speaking world.

www.histoirepremium.com
The first French-speaking ebooks collection in History and Human Sciences

- Numérique Premium presents its brand new digital books’ platform for the libraries (Sept 2013), representing thirty publishers and societies, in partnership with Publishing Technology.

- Our sales model is based upon an annual subscription of exclusive thematic collections from Numérique Premium. However some of them can be purchased as a perpetual license.

Simple and user-friendly features

- Simplified platform, new graphic design, advanced search, filters...
- Enriched Metadata: by chapter for the collective books, DOI, CrossRef link.
- Easy integration into well-known discovering and federated search tools.
- Bibliographic citation tools: EndNote, RefWorks, BibTEX, Zotero...
- Personal user account: search history, recommendations, alerts, annotations, social networks.
- Counter standard statistics (version #4), Shibboleth...
