

## SUSHI; experimentation at UTS

CEIRC forum  
on usage statistics for e-resources

Amani Gadallah  
August 2008

# Why SUSHI?

→ Definition

→ Purpose

## Why SUSHI? Cont.

- Business requirements
- Technology opportunity
- Positive work environment

# Our Experience

- Innovative Interfaces Inc. ERM 2006 Rel. : beta testing
- Ebsco/EJS : configuration
- AutoStats reports availability : challenge
- Success : at last usage data for EJS titles in ERM
- Database Reports : number of successful full-text article requests by month and journal and total searches

## (Y)Our Expectations?

- Save time administering usage statistics
- Base budgeting decisions on real usage
- Easily provide management with usage reports
- Analyse usage statistics at a glance
- Access historical usage statistics
- Others?
