## Ground transport for the University of the Sunshine Coast

There is parking at the University with a car park available near the Innovation Centre which will be the main meeting venue.

Maroochydore and Mooloolaba are only approx 7-10km away from the University, so taxis are possibly the best option for travel.

As an estimated fare calculation, it would be approx \$30-\$40 depending on accommodation venue for a taxi fare. If there were a number of people staying at a venue, they could share the cabs which would result in the cost being minimal.

The image shows two screenshots of the Suncoast Cabs website's fare calculator. Both screenshots feature a red sidebar with navigation links: Home, Pricing, Trading Page, Careers, Links, Services, Council Cabs, FlexiLink, Members Login, and Book a Cab. The main content area has a white background with a red header containing the Suncoast Cabs logo (131 008) and a photo of a white taxi van.

**Screenshot 1 (Top):** The 'Fare Calculator' section is titled '\*Fare Calculator - Local Region'. The 'Pick Up Location' is set to 'MAROOCHYDORE' and the 'Drop Off Location' is 'UNIVERSITY'. The calculated fare is \$41.00. Below this, the '\*Fare Calculator - Outside Regions' section shows 'Local Location' as 'MOOLOOLABA' and 'Outside Location' as 'BRISBANE AIRPORT', with a calculated fare of \$0.00.

**Screenshot 2 (Bottom):** The 'Fare Calculator' section is titled '\*Fare Calculator - Local Region'. The 'Pick Up Location' is set to 'MOOLOOLABA' and the 'Drop Off Location' is 'MOOLOOLABA'. The calculated fare is \$0.00. Below this, the '\*Fare Calculator - Outside Regions' section shows 'Local Location' as 'MOOLOOLABA' and 'Outside Location' as 'BRISBANE AIRPORT', with a calculated fare of \$232.00.
