Ebook Library (EBL) and James Bennett Textbook Discussion Panel

Date: Monday, January 31st, 2011

**Location: Sydney Convention and Exhibition Centre-
Parkside G05**

Time: 3:00pm-5:00pm

EBL and James Bennett are hosting a panel with publishers and librarians to discuss e-textbooks. The aim of this panel and discussion is to identify objectives, challenges, and preferred outcomes with e-textbooks. Our aim is to gather a task force together to outline a model for an e- textbook pilot in 2011 and roll it out in various libraries with the collaboration of various publishers. The panel will set out to identify specific deliverables regarding what each group wants to get out of the pilot about usage, student behaviour, affect on print sales, and any other implications.

Participating publishers include: Allen & Unwin, Cengage, Wiley Australia, and Elsevier. Delicious catered afternoon tea included.
