EUROPEAN PUBLIC LAW

European Public Law provides a detailed analysis of constitutional and administrative law at a crucial stage of European integration and legal development as a new constitution for Europe is about to emerge. In its high-quality articles, authorities in the field investigate the extent to which the separate systems of public law in each Member state are, notwithstanding their distinct historical and cultural backgrounds, developing a European Public Law in tandem with the law of the European Community Treaty. The journal also examines the public law systems of new Member states.

2005, Volume 11 (4 issues), ISSN 1354-3725

Subscription rate: EUR 340.00 / USD 401.00 / GBP 238.00

EUROPEAN REVIEW OF PRIVATE LAW

The *European Review of Private Law* stresses the great practical as well as academic importance of national private laws in an integrating Europe, in the face of the current overwhelming emphasis placed on European Community Law. By providing accessible and comparative surveys of legal developments in a number of countries, with summaries of articles and case notes in French, German and English, the Review provides a valuable source of information for lawyers wishing to look for new ideas with which to encourage their courts to innovate in private law.

2005, Volume 13 (6 issues), ISSN 0928-9801

Subscription rate: EUR 454.00 / USD 536.00 / GBP 318.00
